

Odette Riegman – Horse Trainer & Equestrian Professional

Odette Riegman is a respected horse trainer and rider known for her dedication to developing well-rounded horses and confident, capable riders. With years of hands-on experience in training, instruction, and horsemanship, she brings a thoughtful and individualized approach to every horse-and-rider partnership she works with.

Her training philosophy emphasizes balance, patience, and clear communication, ensuring that horses not only progress in their discipline but also maintain soundness, trust, and willingness. Odette's students value her ability to combine technical expertise with a supportive teaching style, helping riders at all levels achieve their goals.

In addition to her work in the arena, Odette has been deeply involved in the equestrian community, fostering a culture of respect, resilience, and professionalism. Her commitment to the sport extends beyond competition—she is passionate about instilling a lifelong appreciation for horsemanship, responsibility, and partnership with the horse.
